

MASTER OF ARTS IN

APPLIED PSYCHOLOGY

**IT'S THE TIME
TO BEGIN!**

The Master of Arts in Applied Psychology (MAAP) degree is a 30-hour program designed to offer foundational applied psychological coursework over three terms. The MAAP is not intended to meet the academic requirements for any licensure in Oklahoma or other states, but rather provides students with the foundational knowledge and skills that can be applied across most helping professions, including the psychological areas of assessment, diagnosis, research, cultural responsiveness, as well as understanding professionalism, legal and ethical concerns, and integration with values and beliefs.
