

SCHOOL OF THEOLOGY & MINISTRY

THEOLOGY

— FOUR-YEAR PLAN —

ABOUT

The School of Theology and Ministry is here to equip student to pursue their call to ministry. While God calls us in different ways, and to different types of ministry, we believe that there are some essentials that need to be a part of any good preparation for ministry. At SNU a solid academic core of classes in Scripture, theology, church history, philosophy, missions, and practical theology is integrated with practical hands-on ministry opportunities in our Ministerial Intern Program.

Students are well-equipped for ministry in whatever context and particular calling God is leading them. Our graduates serve around the world as lead pastors, children and youth pastors, worship pastors, missionaries, chaplains, founders of non-profit ministries, denominational leaders and religion professors, just to name a few. However God is calling students to serve, our majors of Pastoral Ministry, Youth Ministry, Missions, Theology, or a Multidisciplinary degree will equip them to pursue the call.

GENERAL EDUCATION

General Education forms the foundation of every student's academic journey at SNU. As a Christian liberal arts university, we are committed to equipping students with the knowledge, values, and skills essential for their development as both thoughtful Christians and engaged community leaders. Our General Education curriculum is intentionally designed to be both comprehensive and flexible—allowing students to pursue their individual interests while ensuring they graduate prepared for lifelong learning, service, and growth.

The General Education program consists of approximately 51 credit hours that introduce and develop important skills such as the:

- Importance of thinking critically and solving problems
- Ability to communicate effectively
- Appreciation of human creativity
- Importance of science and technology in the 21st century
- Power of social responsibility in our community
- Awareness of global diversity
- Role of our Christian faith in daily life

Students take at least one foundational course and one upper-level windows course in each of these areas.

Central to SNU's mission is the engagement of students in transformational learning experiences designed to explore what it means to seek truth together with a Christ-centered community of scholars.
