The Offices of Student Life announces housing plans for the upcoming academic year, 2022/2023, campus living facilities of Southern Nazarene University. These plans are a result of months of discussion and forecasting and will assist us in being good stewards of our resources as we continue to grow and improve the living-learning environment on campus.

For the fall 2022 housing sign up process the following housing options will be available for students to choose: For women: Hills, Bracken, and Chapman; For Men: Snowbarger, Hills, and Chapman. A table on the second page outlines the pricing of room and board plans for the upcoming year.

The University's Off Campus Policy currently requires that single students under 22 years of age on September 1st of the given academic year are to live in one of the university's residential living areas.

Southern Nazarene University is a Christian, liberal arts, residential university. These three core values make SNU distinctive. This plan for the 2022/23 academic year and the summer preceding are intended to enhance the living-learning environment and overall student learning experience at SNU.
