## ABOUT

The Music Department at SNU seeks to develop each student's musical passion to its fullest potential, foster a pursuit of excellence in all things, and provide a Christ-centered environment to deepen spiritual and musical growth. Our faculty are professional musicians and instructors who help students achieve their goals of becoming a performer, music teacher, worship leader, music producer, or anything in between.

Regardless of program, music students will engage in classes that address the historical and theoretical aspects of music as well as have the opportunity to study one on one with qualified instructors. Performing with vocal and instrumental ensembles on campus and around the world is another vital part of the degree that results in unforgettable memories and lifelong friendships. We believe that making music is a joy and privilege; doing so for the glory of God is an honor!
