MOVE-IN GUIDE

WELCOME HOME

The beginning of the semester is just around the corner. Like you, we are preparing for an important event – your arrival on campus!

This guide includes important items to remember as you prepare for your move to Southern Nazarene University in Bethany, OK. We look forward to welcoming you to SNU as a member of our campus community. Our staff has worked diligently to make your arrival on campus comfortable and convenient.

The commitment from our residence life team is to provide a safe, positive environment in which every resident may actively participate in Christian community. Our hope is that in this time you will:

- Find and cultivate community
- Build life-long friendships and memories.
- Develop skills for current and future success.

SNU provides a Christian environment in which we desire that each student is seen, valued and finds belonging.

FROM OUR PRESIDENT

Welcome to Southern Nazarene University!

We have been preparing for your arrival and are grateful you chose SNU for the next steps in your educational journey. Our staff and faculty are ready to help you get settled in and will be cheering you on as you begin to make SNU your home.

When I attended college I couldn't afford to live on campus, so I lived at home. I've often wished I'd had the kinds of memories you're about to make living in a residence hall.

Make the most of this time in your life. Attend all the campus events you can find, meet lots of new friends, study hard, and make an intentional effort to get acquainted with your professors. If you ever find that you're struggling, be sure to connect with your Resident Advisor or Resident Directors. They're a great team and will know how to help you.

One of the things you'll learn about me is that I love stories! I love to tell stories (and get teased about that from students), but more than telling stories, I love hearing stories. Find me on campus soon and share your story with me. I can't wait to hear how the Lord led you to SNU and how your story intersects with SNU story.
